

Cambridge Cats Basketball Camp 09 Camp Director

For this year's Cambridge Cats Basketball Camp 09 we have as Camp Director the BBL Basketball Legend **Nigel Lloyd**

Coach Nigel currently coaches with the Milton Keynes Lions where he heads the lions Cadet and junior programme. When looking at old school British Basketballer's, name's like Alan Cunningham, Steve Bucknall and Nigel Lloyd practically leap to mind. These guys were shooting 3's before the BBL, before televised games, and before lucrative sponsorship deals.

As a player **Nigel Lloyd** has played for the giants of British Basketball, teams like Milton Keynes Lions, Birmingham Bullets, Thames Valley, Leicester, Manchester Utd have all been inspired and benefited from his influence on the court. He is the All-time BBL leader in free-throws made, and has the second all-time in points scored.

Nigel is a BBL legend that has also led the **Barbados National Team** in the Commonwealth Games, winning Bronze and Gold Medals. As consummate professional Coach, Nigel cares for all his players, and his coaching style is well suited to delivering a camp full of **fun** and **fundamentals**.

This is a fantastic first for Cambridge and Cambridge Cats basketball and its a great opportunity to learn from one of the masters of British Basketball.

Nigel Lloyd

When looking at old skool British Basketballers, name's like Alan Cunningham, Steve Bucknall and Nigel Lloyd practically leap to mind. These guys were shooting 3's before the BBL, and before televised games, before lucrative sponsorship deals.

Milton Keynes Lions announced that **Head Coach Nigel Lloyd** will be returning for the **sixth** successive year, the longest at one club of any current serving BBL Coach.

The 44-year-old has led the Lions to the **Playoff's** every season in his reign and see's this season as huge, with the Lions imminent move to a purpose built **4500 seat** arena just less than a year away

Lloyd, already one of the **BBL's legends** as a player, ever before he became a Lion, has proved to be a tenacious opponent on the sidelines, his Lions teams are always resilient and on their day capable of beating anyone in the League.

Lions' owner Vince Macaulay said, "I have the utmost respect for Nigel as a man and as a Coach, you are always clear where you stand with him, a consummate professional who cares for all his players, he is a Lion at heart and will accept nothing less from any of his charges – I like that."

As well as Coaching the Lions Lloyd has lead the **Barbados National Team** in the **Commonwealth games** in Australia.

Lloyd commented "I am committed to building a solid programme here in Milton Keynes, I like the way things are going here, I want to stress continuity in doing that and will look to return a number of players from last year as we continue to grow and develop."
